CHILD PROTECTION POLICY

Safeguarding and Protecting Children in Sport

Ashford Town Swimming Club complies with the ASA Child Protection Policy and Procedures. National Standards have been developed by the NSPCC that aim to promote best practice so that a safe environment for children and young people is achieved.

The principles behind these Standards are:

- Children and young people have a right to enjoy sport, free from all forms of abuse and exploitation.
- All children and young people have equal rights to protection from harm.
- Everybody has a responsibility to support the care and protection of children.
- Sporting organisations have a duty of care to children and young people who take part in sport.

To this end **Ashford Town Swimming Club** acknowledge their Duty of Care towards all our members and are committed to practice which protects children from harm.

All staff and volunteers have been checked via the Criminals Record Bureau. Staff and volunteers in this organisation are required to accept and recognise their responsibility to develop awareness of the issues that cause children harm. Training in this area is provided and promoted.

We prioritise the sharing of information about child protection and good practice with children, parents, staff and volunteers.

We acknowledge our responsibility towards sharing information about concerns with agencies that need to know and involving parents and children appropriately. Any incidents/complaints will be recorded in line with ASA policy. This will be undertaken in accordance with the ASA guidance on confidentiality and information sharing.

Should any swimmer or parent/carer or any other person wish to raise any issue related to child welfare please contact :
